If you are interested in taking part in this project, or if you would like to get more information about becoming a long term volunteer, please contact your local SCI organisation. You can search for the contact information here: <http://www.sciint.org/contact-us/local-sci-branch-or-partner>

Project Description:

Since 2015, GEC has been providing more than a hundred students to study English and participate in exchange programs. Many of our former students are now become staffs of GEC and We believe that by hosting mid-term and long term volunteers in this community, we will be able to build the capacity of both volunteers and students not only language skills but leadership, communication, and inter-personal skill. GEC is planned to expand more programs includes computer courses, library, and teenager dream workshop therefore, you are welcome to join us in making different!

Work: Volunteers are going to participate in activities as follows: - Working with GEC team in planing and implementing projects - Teaching English to GEC's students and public school if require - Helping in new building construction work - Helping to make the center environmental friendly and beautiful - Participating in CYA training and events when required

Requirements: - Able to communicate in English - Flexibility and willing to experience living local and simple life - Fully understand about food and living condition in the project is completely different from your home. - Motivation to create a better impact for children, teenagers, and community

Food: 3 meals per day will be provided but all volunteers are very much appreciated to taking part in cooking, cleaning, and washing dishes. NOTE: meals will be basic Cambodian dishes.

Accommodation: Volunteers will stay at GEC office near the center and they will share the room with other volunteers but they will have their own bed with pillows, bedsheet, and blanket.

Pocket money: None

Insurance: CYA do not provide any insurance for volunteers therefore, we would like to ask volunteer to have their own health insurance or ask their home organization about their insurance.

Fees: 320 USD per month. - Food - Accommodation - Project expenses - CYA and GEC administration costs

Visa: We suggest volunteer applying for long term volunteering program to apply for visa type C which is specifically for volunteering through Cambodian's embassy in your country. Of course, you still can use the e-visa or visa on arrival and extend it.
