### **Project Description:**

Dalaa became acquainted with Thungprue Pittayakom School after being introduced by the director of Prang-moo School. Additionally, Dalaa organized several mini work camps that Thungprue Pittayakom School participated in. As a result, Thungprue Pittayakom School is now eager to extend a warm welcome to volunteers who are interested in contributing to the students' development by organizing activities to enhance their language skills and other areas of expertise. Moreover, volunteers will also have the opportunity to engage in local community activities.

**Work:** Engage in collaborative teaching and coordination with class teachers to facilitate the English language learning process across all academic levels. - Give non-formal English classes and other fun activities with the students -Create teaching materials for teachers and kids -Activities with villagers: cleaning the temple area, sport activities, homemade cooking dessert

**Requirements:** The volunteers should be ready to stay in a local area, to adapt to the local conditions with only basic facilities. Very few local people are able to speak in English. Volunteers should be able to be with the kids and prepare

some games and material for teaching.

**Food:** Volunteers will eat at the school canteen for lunch and cook by themselves for dinner. Local people eat rice (or noodles) 3 times a day with side dishes like curries, omelets, local leaves and vegetables.

**Accommodation:** The 2nd floor of the school building offers comfortable facilities. It includes a bedroom equipped with essential sleeping amenities such as a mattress, bed linen, pillows, and a fan. Additionally, there is a private bathroom and toilet.

**Pocket money:** None

**Insurance:** Volunteers are responsible for their own insurance.

**Fees:** 312 EUR per month. The fee(12.000 Bahts per month) will be used on one part for living expenses (gas, water, electricity, food) and materials used in projects/activities and for the other part to support financially our organization. Volunteers fee is our only income.

**Visa:** Participants should request a Non-Immigrant type visa at a Thai Embassy/ Consulate in their country. DaLaa will provide an invitation letter and officially registered paper for this. Do it in advance.
